

**People Poverty 8 0**

Why isn't the world like a football match?

It's a level playing field - it's the same for both sides!

# THE MILLENNIUM DEVELOPMENT GOALS

We'd be over the moon with the right result

1. Eradicate extreme poverty and hunger

2. Achieve universal primary education

3. Promote gender equality and empower women

It's not a matter of life and death; it's far more serious than that.

4. Reduce child mortality

5. Improve maternal health

6. Combat HIV/AIDS, malaria and other diseases

7. Ensure environmental sustainability

Why can't we give people a sporting chance every day?

8. Develop a global partnership for development

If we give 110%, we're in with a chance.

**2015**

MDGs - 8 goals to halve world poverty!
